You will attract fees and charges for each and every single trade that you place, whether it be to open or close a position. Therefore, please ensure you understand the fees and charges that you will incur before trading.

*Collected by the Panel of Take-overs and Mergers (POTAM).

**Tax treatment depends on your individual circumstances and may be subject to change in the future.

***With CFDs an interest premium is charged on long positions held overnight. For short positions, the interest is paid to you.
